

## ARROWELED

### Product description

The ARROWELED is the perfect candidate for forepeaks and other areas where there is risk of partial or total immersion. The impact resistant construction ensures that this luminaire will perform in the most challenging environments. The body is fully sealed to IP68 and it comes complete with stainless steel fixing brackets for additional durability. Alongside these benefits, the ARROWELED boasts almost zero maintenance with longer life and even more resistant to impact than the fluorescent version.

- Almost zero maintenance
- IP68 rated
- Ideal for highly exposed deck areas
- Stainless steel fixings brackets
- High impact-resistant polycarbonate body
