

ROMEOLED

Product description

The new ROMEOLED downlighter from OBEN Technik combines the low profile construction with the new LED technology to give a luminaire that is perfect for the marine industry. Whilst saving energy, and fuel costs, the ROMEOLED is also easy to install and is virtually maintenance free.

- Extra low profile
- Long life
- Energy saving

Designed and Manufactured
in Europe

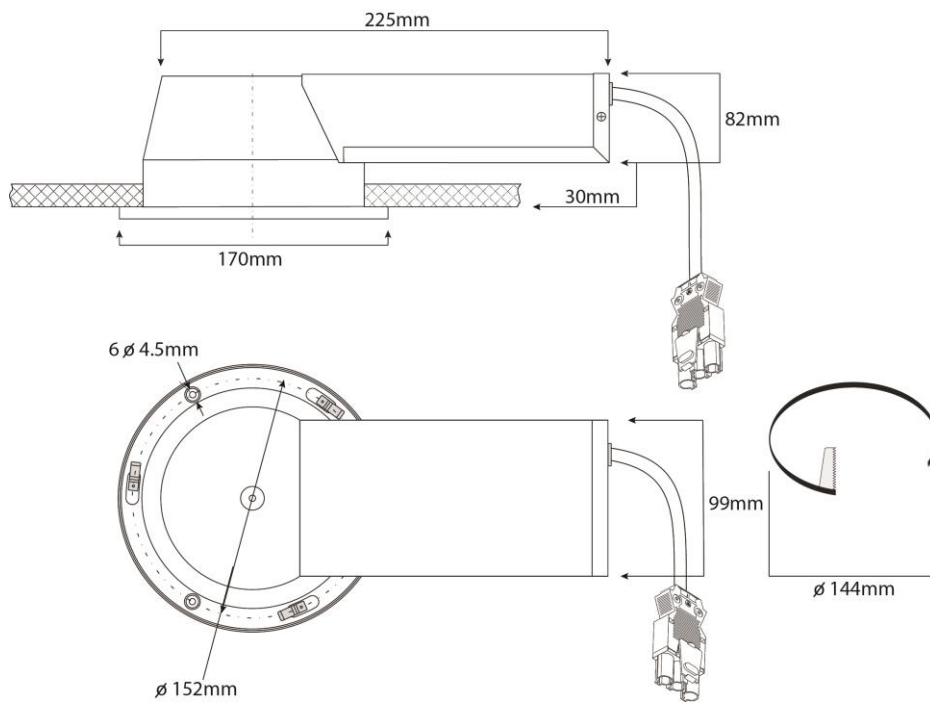

Specification

Wattage	14w
Voltage	220-240v
Lumen output	1125lm
Light Colour	3000K
Dimensions	See Image
Cut-Out	See Image
Weight	1.3Kg
Fixing	6 Mounting Holes at rear
Construction	Galvanized Steel
Finish	Powder Coated White
Warranty	3 Years
Product code	ROL14

Suffixes;

'E' for Emergency Version

Technical Drawing

About OBEN Technik | “the lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

the quality solution... OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

the bespoke solution... OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

the delivery solution... OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

Solutions... we live, for light, from Europe.
