

## TRUROLED

### Product description

The TRUROLED is a luminaire where design is paramount, but efficiency is important. The unique diffuser design gives an excellent appeal to commercial environments whilst boasting fantastic energy savings over traditional technology.

- High performance LED driver
- 50'000hr LED chip
- Robust white powder coated body

Designed and Manufactured  
in Europe

### Specification

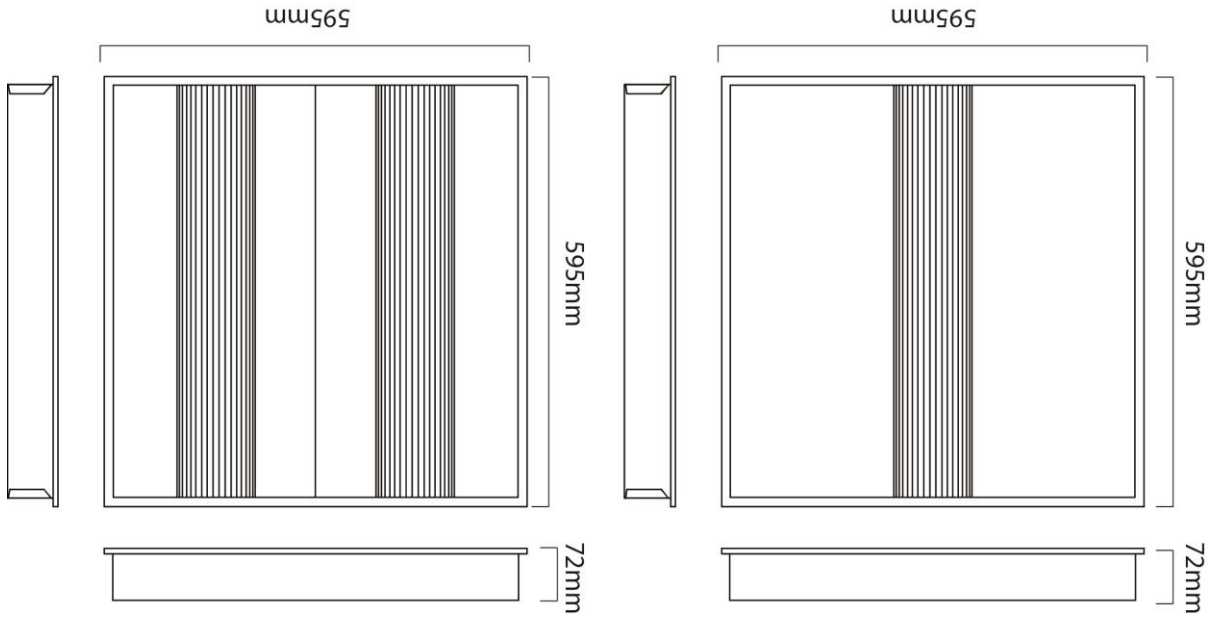

#### TRUROLED Modular

Wattage	42W
Voltage	240V
Lumen Output	3400lm
Lumens per Watt	81lm
CR Index	82
Dimensions	See Image
Fixing	Ceiling Mounted
IP Rating	IP40
Recommended Location	Indoor
Temperature Range	-20°C - +50°C
<b>Product code</b>	<b>TRL4240</b>

#### Suffixes;

'E' for Emergency

### Technical Drawing

### About OBEN Technik | “the lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

**the quality solution...** OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

**the bespoke solution...** OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

**the delivery solution...** OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

**Solutions...** we live, for light, from Europe.
