

## FAYRE LED Decorative Luminaire

### Product Description

The FAYRE Luminaire is an excellent solution for many applications including Schools, Hospitals, Supermarkets and Retail outlets and many other areas. The light distribution is even with a sleek, yet unobtrusive design making it a perfect high solution for general and accent lighting. High output is packed into a relatively small design with an impressive efficiency rating. The FAYRE Luminaire is an ideal alternative to metal halide technology.

- Sleek design
- Extremely high efficiency
- Different finishes available
- Branded control gear
- High quality construction

Designed and manufactured  
in Europe

Weight	2.10Kg			
Mounting	Suspension			
IP Rating	IP20			
Construction	Cast Aluminium Body			
Finish (Y)	White (W)	Grey (G)	Black (S)	
Recommended Location	Indoors			
Warranty	3 Years			
Product Code	FAL29.9XXY (i.e. FAL29.993S = Col 930 Black Body)			

Note: Also available in 2500K, 2700K, 3500K & 5000K.

## Technical Drawing

### About OBEN Technik | “the lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

**the quality solution...** OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

**the bespoke solution...** OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

**the delivery solution...** OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

**Solutions...** you can trust.
