

KWISCHTEN LED Decorative IP65 Highbay

Product Description

The KWISCHTEN LED Highbay is a unique luminaire in its IP65 rating whilst still retaining a design that is perfect for retail and high specification environments. Some applications it can be used in is retail entrances in shopping parks and exterior canopy forecourts for upper market products. Other than that, it can easily be used for warehouse retailing and general storage areas where a high IP rating is required.

- Good aesthetic design
- High efficiency
- Different finishes available
- European control gear
- High performance LED
- High IP rating

About OBEN Technik | “*the* lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

***the* quality solution...** OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

***the* bespoke solution...** OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

***the* delivery solution...** OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

Solutions... you can trust.
