About OBEN Technik | “*the* lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

***the* quality solution...** OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

***the* bespoke solution...** OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

***the* delivery solution...** OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

Solutions... you can trust.
