

REPIN A Compact LED Tracklight

Product Description

The REPIN A compact LED tracklight is an excellent solution for retail applications, high specification commercial and showrooms. The different colour finishes available along with extremely high efficiency make it an excellent alternative to existing metal halide solutions, with a 50% energy saving being easily achievable. With its branded components and rugged construction, the REPIN A is a high performance luminaire. Alongside this, the REPIN A can be produced with a large range of different LED colours.

- Unique design
- Extremely high efficiency
- Different finishes available
- European construction and gear
- High performance LED
- Specific light colour for LED

Designed and manufactured
in Europe

Specification

REPIN A Compact LED Tracklight				
Wattage (XX)	17W (17)	24W (24)	31W (31)	38W (38)
Voltage/Hz	220/230V, 50Hz			
Lumen Output	2480lm*	3275lm*	4000lm*	4380lm*
Colours (ZZ)	2000K (20) 3000K (30) 3100K (31) 4000K (40) Others available – please ask

Dimensions	Length (125mm), Width (165mm), Height (190mm)			
Weight	1.4kg			
Mounting	Track or ceiling mounted			
Construction	Cast Aluminium Body with Glass Shield			
Finish (F)	White (W) Grey (G) Black (S) Other RAL colours available – please ask			
IP rating	IP20			
Recommended Location	Indoors			
Warranty	5 Years			
Product Code	QUIXYYZZF (i.e. QUI303631S = 30W Col 3000K Black Body 36°)			

*Lumen output may vary dependant on light colour

About OBEN Technik | “the lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

the quality solution... OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

the bespoke solution... OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

the delivery solution... OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

Solutions... you can trust.
