

STEFANLICHT | LED Bollard

Product Description

This ground-mounted LED bollard has an aluminium body for high impact resistance and longevity. Clever LED optics ensure light pollution is minimized with light distribution evenly spread on the ground. Boasting high efficiency and high output, this unobtrusive but classic bollard is hugely popular in many outdoor spaces including parks, public spaces and high specification private pedestrianized areas.

- Die-cast aluminium body
- IP54 rated
- IK08 rated
- High efficiency 113lm/w
- Dark grey body (RAL7043)
- Lightweight for easy installation

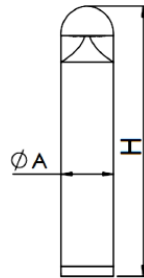

Designed and manufactured
in Europe

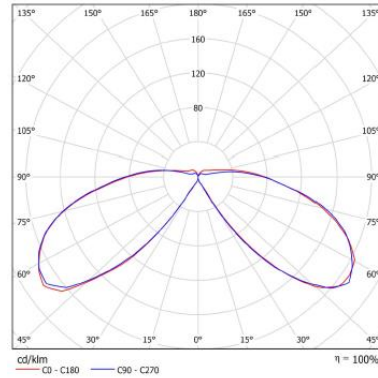

Specification

STEFANLICHT LED Bollard	
Wattage	14.3W
Voltage/Hz	220-240V, 50/60Hz
Lumen Output	1627lm
Lumens/W	113lm/w
Light Colour	4000K
CR Index	CRI80+
Beam Angle	Asymmetrical
Protection Class	I
Dimensions (mm)	165 dia x 800mm h
Weight	3.5kg
Fixing/Mounting	Ground (flange mounting plate included)
IP rating	IP54
IK rating	IK08
Construction/Finish	Aluminium, dark grey (RAL7043) finish
Operating Temperature	-25°C - +40°C
Recommended Location	Exterior
Warranty	3 years
Product Code	STF14.340

About OBEN Technik | “the lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

the quality solution... OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

the bespoke solution... OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

the delivery solution... OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

Solutions... you can trust.
