

MACHT LED Decorative Downlight

Product Description

The MACHT luminaire is an excellent solution for retail and showroom applications with its exceptionally high output and designer aesthetics. The different colour finishes make it a versatile option whilst the branded components make it a high performance luminaire that will continue to exceed expectations. An ideal candidate for replacing high wattage metal halide solutions.

- Unique design
- Extremely high efficiency
- Different finishes available
- European construction and gear
- High performance LED

Designed and manufactured
in Europe

Light Colour (YY)	3000K, 3500K, 4000K, 5000K		
Beam Angle (XX)	15°, 30°, 45°		
Dimensions	Width (308mm) Depth (158mm) Height (205mm)		
Cutout	365 x 190mm		
Weight	3.15Kg		
Mounting	Ceiling Recessed		
IP Rating	IP20		
Construction	Galvanized steel plate with varnished black, grey frame		
Finish (Z)	White (W)	Grey (G)	Black (S)
Recommended Location	Indoors		
Warranty	5 Years		
Product Code	MAL247.5XXYYZ (i.e. MAL247.51530W = 3000K White Body 15°)		

About OBEN Technik | “*the* lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

***the* quality solution...** OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

***the* bespoke solution...** OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

***the* delivery solution...** OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

Solutions... you can trust.
