

TRITONLED INOX

Product description

The TRITONLED INOX luminaire is probably the most versatile luminaire within the marine industry. With innovative design features such as the gear tray retaining mechanism and robust retaining clips, the TRITON LED INOX luminaire stands out as best in class.

- Stainless Steel Body
- Tough polycarbonate diffuser
- Uses half the energy of conventional Fluorescent fittings
- IP66 rated

Designed and Manufactured
in Europe

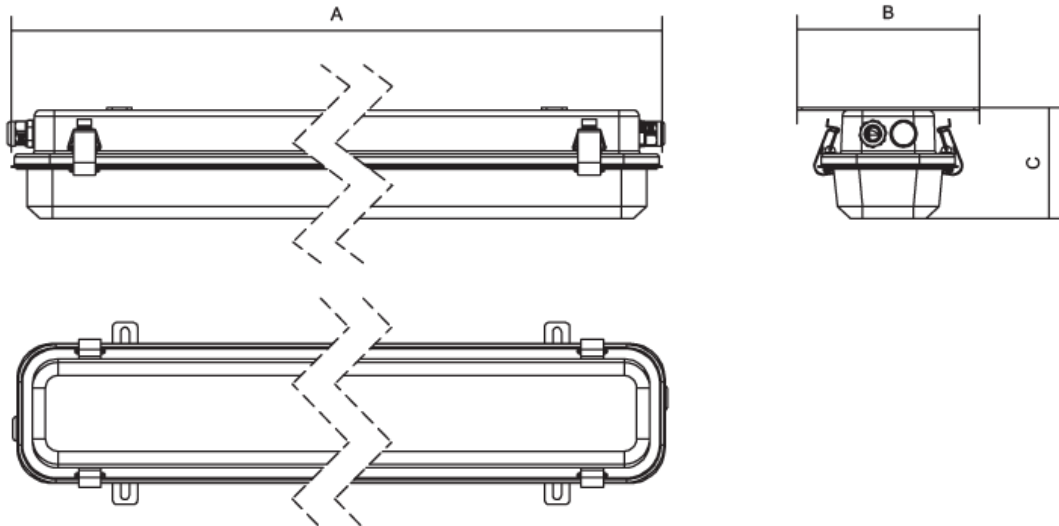

Specification						
Wattage	9W	37W	43W	18W	44W	87W
Voltage/Hz	220-240V, 50/60Hz					
Lumens	1123	2246	4341	2255	4625	8833
Lumens/W	125	61	101	125	105	102
Light Colour*	4000K					
Dimensions (A)	692			1340		
Dimensions (B)	180					
Dimensions (C)	107					
Fixing	Tamper Proof Stainless Steel Fixings					
Mounting	Ceiling or wall mounting					
IP Rating	IP66					
Construction	Stainless Steel Housing with Polycarbonate Diffuser and Stainless Steel Clips					
Finish	White Powder Coated					
Cable Entry	2-2 as standard with one M20 glands and three blanking glands.					
Recommended Location	Indoor/Outdoor					
Temp range (all -20°C low limit)	to +50°C		to +35°C		to +40°C	
Product Code	TRLIPWS09	TRLIPWS37	TRLIPWS43	TRLIPWS18	TRLIPWS44	TRLIPWS87

Suffix:

Add 'E' for emergency 3hr version

*Other colours available on request

About OBEN Technik | “the lighting solution”

OBEN Technik is committed to addressing the need in the industry of trusted, reliable products, especially in the LED industry, with rapid delivery and quality components. We believe this leads to a trusted, high performance solution.

the quality solution... OBEN Technik is dedicated to providing the industry with solutions that are simply guaranteed. We are proud of our commitment to European manufacture and design utilizing latest technology and high quality components. As a result, we have solutions that will significantly outperform other products on the market.

the bespoke solution... OBEN Technik takes a different approach to projects we work on. If we believe a product can be developed specifically to improve the project, we will.

the delivery solution... OBEN Technik uses its network of distributors to ensure rapid delivery. Instead of products being manufactured in Asia, OBEN Technik can manufacture and deliver with short lead times. In addition, we can even palletize deliveries specifically for easy distribution on site.

Solutions... we live, for light, from Europe.
